# Dear French Woods Families,

What an incredible summer 2017 has been. In no other place and with no other group of people could we have had such positivity and love. Thank you to the amazing staff for everything you do. Thank you to the parents for letting us borrow your children every summer. Thank you to the French Woods kids - you make us what we are. Go out into your world at home and spread that positivity!

Thank you to Soup Troupe - I'm here for you.

Lets take the entr'acte one more time from the top.

I'm looking forward to doing it all over again in 2018!

# Session 5

We hit the ground running with our one-week Session 5. Over 220 campers experienced more than just a "taste" of French Woods. Theater, Video, Magic and Horseriding offered intensive double periods and circus, dance, music, project adventure, rock and roll, art, waterfront, creative cooking, tennis, fitness, skate park, and sports saw every period filled with eager, happy and excited campers new to French Woods.

Our final day performanes featuring presentations in film, chamber music, voice ensemble, waterskiing, equestrian, magic, circus, art, rock and roll and was topped off by our dance, musical theater and One Acts showcase attended by parents and families.

Session 5 is here to stay and has become one more awesome French Woods tradition.

# Lost Property

As always, lost items that are labeled with the camper's complete names are returned shortly after camp ends. All non-labeled items are donated to charity.

# A Note From Ron:

Here we are again at the end of the summer, year forty-eight, and we start to plan for next summer. We look forward to breaking ground for the new theater, new bathrooms in six more bunks and replacing ALL the port-a-johns with new facilities like the one by the Scott and Fine Arts. I want to personally thank the casts of *How To Succeed*, *Pippin*, *Little Shop*, *Blood Brothers* and *Hair Spray* for allowing me to direct five fantastic shows. You gave me a great deal of pleasure. Keep those emails and letters coming. I love to hear from you.,

Ron

# 2017 Highlights

## Isaac's Corner

As of September 1 there are 281 days left until session 1, summer of 2018, and 300 days for the start of session 2.

At this time of year, I like to acknowledge and thank all the staff who made the summer so special and successful. Our 2017 summer staff was especially loving, kind, warm, and supportive. Beth works all winter long to get the best staff available. This summer's group was great in every aspect. I hope we can work together for years to make Ron's legacy of French Woods the most extraordinary place in the world.

The theater department was a wonder - incredible shows, amazing talent, wonderful classes. Many thanks to Lee, Kennah, Natty and all of their staff.

Joleen as Head of Costume and her incredible crew provided costumes for over ninety shows that were produced this summer. The sets and props were amazing and Sam, Nikki, Jackie and Ben and all their staff are unbelievable.

I can't thank Darryn enough for taking over our transportation and special ops department. Whatever we needed, Darryn was there, with Heather by his side. Michael oversees facility operations and through his strategic planning we will see more exciting improvements in the near future. Kudos Michael.

Our music department offered a vast array of bands, orchestras, ensembles and lessons. Thanks to all the musicians, and a special thanks to Brian Worsdale, our artistic director, who made it all work along with his assistant, Frankie. And how about Maestro Steven Reineke, conductor and composer and members of the New York Pops as well as Broadway stars Ashley Brown and Christopher Johnstone! They offered master classes and performed in a very special Side by Side concert featuring our orchestra and campers Julia Perel and Evan Schachter.

The rock and roll department headed by Mark and assisted by "Coyle" produced more original music than ever before. They and their staff taught daily lessons and had scores of camper bands and provided live music for the circus shows.

Annabel headed up the dance department this year. Peanut, Heath and all the dance staff gave us another year of amazing choreography and dance classes.

And as always, circus was the place to be. The shows were awe-inspiring, the teaching was impressive and engaging, and the atmosphere was warm and caring - all this, thanks to Mike and Bronwyn and their fantastic staff.

The fine arts department with Anne and Michael had countless children go through its doors. Their staff was outstanding, and incredible projects were produced and displayed.

Video/film has become a world of its own. Caleb's second year as department head was a huge success. An unprecedented number of campers majored in Video for summer 2017. In addition, his department shot over 100 films.

And the boys won Sing!!!! What a great Sing it was. Great job Rico and Jillian. We were thrilled to see you continue to be positive role models to the younger campers.

James and Jeremiah did a yeoman's job running an incredible sports program. Kids learned and grew in the more than 16 different programs that are offered through sports. And how about the "Mo?" Chloe made the fitness center uber friendly with campers across the board participating in safe, fun and challenging fitness programs. Thank you to Chloe and all her team in preparing for four 4K Race for the Arts events. We know this is no small task.

Our Adventure course rivals any in camping - thank you Tab for stepping up and making it an incredible program. The best and safest program ever.

The skate park, as popular as ever - thanks to Julia and her crew. Magic Larry and his outstanding staff of quality magicians, who were loving and caring to the children, as well as incredible teachers, gave us the best and most extensive magic program since French Woods began.

All of the nurses, administrative assistants and doctors worked to make it a safe and pleasant summer for all of our campers and staff. Thanks to Jill and Heather as our charge nurses, Jemima our Wellness Center administrator, the nurses, our physician's Drs. Donnerfeld, Klein, Hines and Chevres and all the non-bunk staff, especially Roy, who assisted when needed.

Cat continues to add love, excitement and fun to camp working with

the campers at the stables and in Stage Combat.

'Jocko' continues to make our equestrian program as good as any in the country. He brought his expertise and experience to the program. His staff never stopped.

Coaches Tim and Susanna continue to raise the quality of our Tennis program to new heights with their staff. Great job with all those private lessons and clinics and camper counselor tournaments!

Marion stepped up as the head of waterfront and James as the head of the pool. They and their staff of incredible lifeguards kept the kids swimming, sailing, boating and waterskiing in a safe and caring environment and hosted hundreds of rest hour s'mores parties!

Our cooking program, headed by Hailey, was a tremendous hit featuring sweet and savory dishes and a cook-off each session. Campers majoring in cooking went home with a personalized cookbook. Creative Cooking was 'the place to be.'

Our Radio program was met with great success with Bethany. DJ Yassin had classes that were always full and smiling faces a-plenty. Scores ran the train room, helped some of our oldest campers with college apps and was a hit with his traditional campfires.

Ryan Tutton worked wonders in the kitchen and dining room in order to make meals "fit for a king." Kudos to Barbara Schaefer for her role in taking care of food services and management. Great Banquet! This was by far the best year of food and food services with such yummy healthy choices.

Louie Slatcher, our caretaker and head of maintenance kept this place going and going with the help of Ed, Chris, Stevie and Dave and their crews. Mate and the laundry and housekeeping staff kept the Campus and facility neat and clean. Never have we had such a smooth running operation in our laundry as this year with Mate in charge. Thanks to him and his crew. Doodles kept the mail and lost and found straight and Jean and her staff at the store kept the kids happy and fed!

I could not have survived the summer without our head counselors who work 24/7 without complaint and with a love and caring that could not be found anywhere but at a place like French Woods. You all went above and beyond this summer. Thank you - Chloe D., Chloe S., Sarah, Naomi, Caitlyn, Katelyn, Carolyn, Danny and Robson. I love you all. Thanks to Carolyn for all her work with the Supers and CIT's.

Robson, you are the hardest working person I know who always makes my life better here and at home. Thank you.

A special thanks to Errick for all he does. He is my radar, my friend, and I could not deal with all I deal with, without his steady force, sense of humor, and great relationship he has with campers and their families. All of our main office staff always went the extra mile and responded professionally and courteously.

Thanks to Scott and his IT crew and his never ending contributions to the French Woods family.

The program office ran smoothly as Rose with the help of Cameron, Jessie and Kylie made sure the kids and staff all got what they needed and kept the camp organized while facilitating the four Race for the Arts, over 300 birthday parties and so much more. What a success.

This was one of my best summers. Everyday was special and having Rose with me made it easy, productive, fun, and exciting.

A special congratulations to our Counselors of the Summer - Carol Rotelli and Bernard Farquharson and to all the "Counselors of the Week." You went above and beyond in both your work areas and the bunks.

To all our staff: The success of French Woods lies in your hands and your hearts and without you French Woods would not be what it is. Thank you for all you did for our kids throughout the summer to enrich their lives. You are why their lives are changed for the better. I hope you feel the same way that through the kids your lives have been enriched as well.

You know, I really never thank Ron for all he does because out of his head jumped this incredibly wonderful concept called French Woods Festival and he has never looked back. He continues to change the lives of youngsters for generations and generations. His modesty is only exceeded by his creativity, his kindness and his vision. Thank you Ron for allowing me to take this decades-long ride with you.

Please write, call, fax or e-mail us at the winter office with your news, stories and photos. We all look forward to hearing from you and know all your camp friends will too!

# THANK YOU

French Woods Festival and especially the costume shop are very grateful for all of your donations over the last few months. You have helped make the magic happen. The Costume Shop is now able to costume fifteen or more productions at a time with ease and boast a stock that would be the envy of many professional companies.
