## Dear French Woods Families,

2016 was the most fulfilling summer I've had in a long time. From the amazing kids and staff to the extraordinary special guests, we could not have had a more exciting group of people at camp.

Now that the summer has come to a close, we are beginning to plan the summer of 2017 and it's getting us excited all over again. You may not have been home long, but we're already looking to how we can make next summer even better.

With a new theater, revamped bunks and new public bathrooms all in the works, there will be exciting new things happening in 2017.

Keep us up-to-date by email and Facebook - we love to hear from you all year long!

## Lost Properties

As always, lost items that are labeled with the camper's complete names are returned shortly after camp ends. All non-labeled items are donated to charity.

## A Note From Ron:

Here we are again at the end of the summer, year forty seven, and we start to plan for next summer. We look forward to breaking ground for the new theater, a new replacement for Boys 10, replacing all the port-a-johns with new facilities like the one by the Scott and refurbishing Project Adventure. I want to personally thank the casts of *Forum*, *Into the Woods*, *Little Me*, *A Chorus Line* and *Honeymoon in Vegas* for allowing me to direct five fantastic shows. You gave me a great deal of pleasure.

At this point we expect sessions two and three to be closed by the end of September and CIT positions for both boys and girls to close before that. It is my hope to see you again next summer. Keep those emails and letters coming. I love to hear from you.,

Ron

## Session 5

We hit the ground running with our one-week Session 5. Over 200 campers experienced more than just a "taste" of French Woods. Theater, Video, Magic and Horseriding offered intensive double periods and circus, dance, music, project adventure, rock and roll, art, waterfront, creative cooking, tennis, fitness, skate park, and sports saw every period filled with eager, happy and excited campers new to French Woods.

Our final day showcase featuring presentations in film, chamber music, voice ensemble, waterskiing, equestrian, magic, circus, art, rock and roll was topped off by our dance and theater showcase attended by parents and families.

Session 5 is here to stay and has become one more awesome French Woods tradition.

## Isaac's Corner

As of September 1 there are 281 days left until session 1, summer of 2017, and 300 days for the start of session 2.

At this time of year, I like to acknowledge all the staff who made the summer so special and successful. Our 2016 summer's staff was especially loving, kind, warm, and supportive. Beth works all winter long to get the best staff available. This summer's group was great in every aspect. I hope we can work together for years to make Ron's legacy of French Woods the most extraordinary place in the world.

The theater department was a wonder - incredible shows, amazing talent, wonderful classes. Many thanks to Devan, Lee, Natty and all of their staff.

This year we welcomed Joleen as Head of Costume. She and Annia and their incredible crew provided costumes for over ninety shows that were produced this summer. The sets and props were amazing and Scott, Nikki, Pauli and all their staff are unbelievable.

I can't thank Darryn enough for taking over our transportation and special ops department. Whatever we needed, Darryn was there, With Ally by his side. Michael took over facility operations this summer and through his strategic planning we will see more exciting improvements in the near future. Kudos Michael.

Our music department offered a vast array of bands, orchestras, ensembles and lessons. Thanks to all the musicians, and a special thanks to Brian Worsdale, our artistic director, who made it all work. And how about Maestro Michael Kosarin "Kos" and members of the New York Pops as well as Broadway stars Bryan Silverman and Kerry Butler! They offered master classes and performed in a very special Side by Side concert featuring our orchestra, our Cab Troupe and campers Nick Smith and Jamie Goodson.

The rock and roll department headed by Mark and assisted by Calum produced more original music than ever before. They and their staff taught daily lessons and had scores of camper bands and provided live music for the circus shows.

Sarah headed up the dance department this year. Peanut, Tiger Heath and all the dance staff gave us another year of amazing choreography and dance classes.

And as always, circus was the place to be. The shows were awe-inspiring, the teaching was impressive and engaging, and the atmosphere was warm and caring - all this, thanks to Mike and Bronwyn and their fantastic staff.

The fine arts department with Caitlyn and Michael had countless children go through its doors. Their staff was outstanding, and incredible projects were produced and displayed.

Video/film has become a world of its own. Caleb's first year as department head was a huge success. An unprecedented number of campers majored in Video for summer 2016. In addition, his department shot over 100 films.

And the girls won Sing!!!! What a great Sing it was. Great job Maddie and Matt. We were thrilled to see you be positive role models to the younger campers.

James and Jeremiah did a yeoman's job running an incredible sports program. Kids learned and grew in the more than 16 different programs that are offered through sports. And how about the "Mo?" Chloe, another first year department head made the fitness center uber friendly with campers across the board participating in safe, fun and challenging fitness programs. Thank you to Chloe and all her team in preparing for four 4K Races For the Arts events. We know this is no small task.

Our Adventure course rivals any in camping - thank you Adam for stepping up and making it an incredible program. The best and safest program ever.

The skate park, was beyond belief thanks to Andy and his crew. Magic Larry and his outstanding staff of quality magicians, who were loving and caring to the children, as well as incredible teachers, gave us the best and most extensive magic program since French Woods began.

All of the nurses, administrative assistants and doctors worked to make it a safe and pleasant summer for all of our campers and staff. Thanks to Jill and Heather as our charge nurses, Sarah our Wellness Center administrator, the nurses, our physician's Drs. Donnenfeld, Wagner and Klein and all the non-bunk staff who assisted when needed.

Cat continues to add love, excitement and fun to camp working with the campers at the stables and in Stage Combat.

# 2016 Highlights

**Please write, call, fax or e-mail us at the winter office with your news, stories and photos. We all look forward to hearing from you and know all your camp friends will too!**

# THANK YOU

French Woods Festival and especially the costume shop are very grateful for all of your donations over the last few months. You have helped make the magic happen. The Costume Shop is now able to costume fifteen or more productions at a time with ease and boast a stock that would be the envy of many professional companies.

'Jocko' stepped up to make our equestrian program as good as any in the country. He brought his expertise and experience to the program. His staff never stopped.

Coaches Tim and Susanna continue to raise the quality of our Tennis program to new heights with their staff. Great job with all those private lessons and clinics and camper counselor tournaments!

Patrick stepped up as the head of waterfront and James as the head of the pool. They and their staff of incredible lifeguards kept the kids swimming, sailing, boating and waterskiing in a safe and caring environment.

Our cooking program, headed by Tommy and Hailey, was a tremendous hit featuring sweet and savory dishes and a cook-off each session. Campers majoring in cooking went home with a personalized all encompassing cookbook. Creative Cooking was 'the place to be.'

Our new Radio program was met with great success with Imogen at the helm and Sara Louise handling music production. Likewise our expanded DJ space with DJ Luke in charge had classes that were always full and smiling faces a-plenty.

Ryan Tutton worked wonders in the kitchen and dining room in order to make meals "fit for a king." Kudos to Barbara Schaefer for her role in taking care of food services and management. Great Banquet! This was by far the best year of food and food services with such yummy healthy choices.

Louie Slatcher, our caretaker and head of maintenance kept this place going and going with the help of Ed, Chris, Stevie and Dave Nevin, and their crews. Scobes and his housekeeping staff kept the Campus and facility neat and clean. Never have we had such a smooth running operation in our laundry as this year with Mate in charge. Thanks to him and his crew. Doodles and Ming kept the mail and lost and found straight and Jean and her staff at the store kept the kids happy and fed!

I could not have survived the summer without our head counselors who work 24/7 without complaint and with a love and caring that could not be found anywhere but at a place like French Woods. Thank you - Chloe D., Rachael, Natalie, Chloe S., Rosie, Jenni, Fiona Carolyn, Danny, Ross, Robson and Liam. I love you all. Thank you to Carolyn for all her work with the Supers and CIT's.

Robson, you are the hardest working person I know (maybe next to Ron) who always makes my life better here and at home. Thank you. A special thanks to Errick for all he does. He is my radar, my friend, and I could not deal with all I deal with, without his steadying force, sense of humor, and great relationship he has with campers and their families.

All of our office staff always went the extra mile and responded beyond the call of duty. Thanks to Scott and his IT crew and his never ending contributions to the French Woods family.

The program office, ran more smoothly than ever as my Rose with the help of David, Cameron and Debra made sure the kids all got what they needed and kept the camp organized while facilitating the four Race for the Arts, over 375 birthday parties and so much more. What a success.

This was one of my best summers. Everyday was special and having Rose with me made it easy, productive, fun, and exciting.

A special congratulations to our Counselors of the Summer - Heather Norrie and Kieren Anderson and to all the weekly backpack winners. You went above and beyond in both your work areas and the bunks.

To all our staff: The success of French Woods lies in your hands and your hearts and without you French Woods would not be what it is. Thank you for all you did for our kids throughout the summer to enrich their lives. You are why their lives are changed for the better. I hope you feel the same way that through the kids your lives have been enriched as well.

You know, I really never thank Ron for all he does because out of his head jumped this incredibly wonderful concept call French Woods Festival and he has never looked back. He continues to change the lives of youngsters for generations and generations. His modesty is only exceeded by his creativity, his kindness and his vision. Thank you Ron for allowing me to take this decades-long ride with you.

### Dance

2016 saw the opening of our 5 new dance studios. Thanks you to our wonderful dance staff for all of their hard work and creativity. Without them this summer wouldn't have been so fantastic. We look forward to seeing everyone next year!

### Music

Last Year I wrote about topping the summer of 2015. Well, we did it! Amazing ensembles, excited campers and a dynamic staff culminating with an historic Side by Side concert with the NY Pops made up our Summer of 2016! What a great time. While I am sad to see it end, I know 2017 will be even better! Have a great year everyone!

### Magic

The Magic Department reached new heights this summer! New tricks, new stage illusions, and the most talent-

ed staff ever. We added TONS of new activities and Minors: Mentalism, Cardistry, Scams & Hustles, Book Jam, Card Throwing, and even Quidditch! Of course, we still had our old favorites like Trick of the Day, Escapology, Balloon Sculpture, and Solving the Rubik's Cube. We're bigger than ever -- Magic Studio 5 is now a thing. Just wait and see what we have in store for next year!!

### Horseback

Three cheers for an excellent horseback riding season and our horseback riding exhibitions! We happily ride off into the sunset, but we will see you next year!

### Kitchen

The kitchen and dining room staff had such a great summer this year! We certainly worked hard... but knowing how much everyone enjoyed the meals certainly makes it all worth while.

### Theater

It's hard to believe the Summer of 2016 is already in the books! Another year filled with incredibly talented Performers, Directors, ADs, Designers and Technicians. Our FWF Premieres this summer included *Dr. Doolittle*, *Addams Family Jr*, *Elf Jr*, *Saturday Night Fever*, *Honeymoon in Vegas*, *Caucasian Chalk Circle*, *I Remember Mama*, and *Peter and the Starcatcher*.

Each session we brought hundreds of campers to Broadway and saw *Fun Home*, *Waitress* and *The Color Purple*. Thank you all for a fantastic summer! Have an incredible school year and we can't wait to see you all back in the Woods next year!

### Fine Arts

Another great summer in visual arts with more classes and more campers than ever. Thanks to all the staff for working so hard. We've got exciting plans for next year, so stay tuned!

### Waterfront

What a great summer. Great to meet all the new faces and fantastic to see all the returning campers. I hope to see everyone down at the waterfront again next summer!

In Video this year, the campers made more than 100 films, and that output wouldn't have been possible without our amazing Staff and Supers. Thank you Pete, Caz, Alex, Josh, James, Olivia, Adam, Angus, Barney, Jordan, Kirby, Lena, Maggie, Mim and Sam for an amazing summer. See you all at the next pitch meeting next summer. - Caleb

### Ropes

Another HOT HOT HOT Summer at Project Adventure! We had an amazing group of kids with courage that reached the Sky and beyond! Big shout out to all the staff who made this happen! Thank

you and hope to see you all again next year!

### Sports

We hosted over thirty intercamp games and won about eighty percent of our matches. The Campers worked very hard and dedicated themselves all summer to improving their skills and having lots of fun while doing it. Our coaches this summer were the most qualified group of counselors we have had in years. Next summer we expect more of the same and will be working hard to improve on an already great sports facility.

### Fitness

The Motivational Center a/k/a the MO was busy with lots of classes, training and exercise that was tailored for each age group. Over the summer hundreds of campers earned the coveted MO t-shirt and each session we helped bring 4k Race for the Arts to FWF.

### Tennis

We gave over 1,000 private lessons, held tournaments and clinics and had a great time doing it. See you next year.

### Rock Shop

There was A Whole Lotta Love for Rock'n'roll in the Rock Shop this summer. The energy was Radioactive and it occasionally became Pretty Reckless but we managed to survive the Halestorm. The campers and staff

stared into the Eye of the Tiger and Roared. We all Had a Good Time and this summer reminded me What a Wonderful World we live in! I'll hear you next summer!

### Head Counselors

The Head Counselors (Chloe D., Rachael, Natalie, Rosie, Chloe S., Jenni, Fiona, Carolyn, Danny, Ross, Robson and Liam) had an awesome time this summer! Such amazing memories: talent shows, dances, gaga ball, Brain Wars, Acoustic fests, Sing, Banquet, - too many great events to name! It was so wonderful to get to know so many phenomenal campers and we can't wait to see everyone again next year! Please keep in touch.

### Wellness Center

What a great summer we had this year! Thank you to all the Staff at Frenchwoods who took time out of their schedules to help out. We love dispensing TLC and it is always a pleasure to the campers in getting them back to their activities. Looking forward to next summer and wishing everyone a safe and healthy School year!

### Program Office

Special thanks to David, Cameron and Debra as well as all our terrific CIT's! Majors and Minors, Race for the Arts, S'mores and Movie parties and seeing the campers everyday kept the 2016 Program Office motivated, excited and

busy. See you in 2017. -Rose

### Costume

This summer the costume shop averaged three costumes per actor, with some having as many as eight changes per show for a total of 4,254 costumes in the main stage musicals plays. Our make-up specialists created looks for circus, magic, and theater productions. It is a pleasure to work in a shop that sticks by the earth friendly principles of remake, reuse and repurpose. Thank you to the continued generosity of our parents who donate costumes and items for a new life in the theater. -Joleen

### Creative Cooking

Sweet and Savory, Scones and Jam and Cook-offs...it was a great summer that culminated into the creation of an amazing cookbook. See you all next year!

### Radio, DJ & Music Production

Our brand new spaces produced over 18 radio shows, 110 tracks in music production and filled to capacity DJ classes complete with lighting. We look forward to 2017 and bringing you more 'live action'!

### Skate Park

Our amazing facility saw hundreds of campers this summer at all levels of skating. Mountain boarding was popular too. See you all next year!
